"Capsules of American History"

Ry

July heat got you in its grip? Here's a program to give you zip! Betty's got CAPSULES to sharpen the mind; the very best remedy we could find - to take away "blahs" to banish the blues; so be there and bring a guest if you choose. Hope to see you at the meeting!

GREAT NEWS!

What we've all been waiting for - our newspaper microfilms are back and at the Leigh Library, Jefferson Davis Junior College. A film reader machine is on order, so very soon we can see the results of our microfilming project!

BOOKS AVAILABLE

We still have some copies of the following books for sale:

HISTORY OF ESCAMBIA COUNTY, ALABAMA, by Annie C. Waters.
Price of \$27.50 includes postage.

HEADSTONES AND HERITAGES, By McFarland and Shelton. Price of \$17.50 includes postage. Send orders to The Historical Society at the above address.

CONFEDERATE GRAVES

The United Daughters of the Confederacy, Foley, Ala., wish to learn of any Civil War graves not marked. They have taken the marking of such graves as one of their projects for this year. If you know of the unmarked grave of any Confederate soldier, please let this society know, and we, in turn, will inform the Foley U.D.C. This is a very worthwhile project and we commend the U.D.C.

QUERY

Mrs. Wanda Parker is seeking any material on the JERNIGAN, COBB and TRAVIS families. She also wishes information on the JERNIGAN CEMETERY, also known as THE MASSENGILL CEMETERY.

She also asks if anyone has any information on WALKER ISAAH COBB, died in Mississippi Dec. 25, 1903. Thought to have been brought back to Escambia County and buried in old Travis Cemetery or Jernigan Cemetery.
