MEETING: TUESDAY, MARCH 28, 1989
TIME: 7:00 p.m.
PLACE: THOMAS E. McMILLAN MUSEUM, JEFFERSON
DAVIS JUNIOR COLLEGE, BREWTON

PROGRAM: "PLANTS AND THEIR USES"

With Spring here, it's an ideal time for our March program on plants.

Members are urged to bring a plant, leaf, twig or any part of some plant used in olden days for medicinal or household purposes (plants may be wild or domestic), and be prepared to tell about the uses of the plant. Your editor would appreciate it if you would also jot down something about your plant so she can write it up for a later quarterly.

Remember, everyday plants had lots of uses in olden times, before we were able to buy our needs from a store. A perfect program for Spring! Let's all be there! Guests are welcome!

SOCIETY LOSES A FRIEND

We report with much sadness that the Historical Society lost one of its best friends in the death on February 27, of NETTIE TANNER PARKER. Nettie, a past president of the Society, was very active in all areas of the organization, and was involved in Society work until her death.

Nettie was our "strong right arm," and it will take renewed efforts by all of us to try to carry on the many tasks which she did to keep the Society going. We will miss her so much, as she was an inspiration to others, not only in the Society, but also as a friend, a Christian and a good neighbor to everyone who had a need. A biographical sketch will be published in the upcoming quarterly.
